Dear Clients,

This year 2013, Therabeautique celebrates its 15th year of serving you, our valued clients, in Paulshof. We so appreciate the privilege of your loyal custom and thank each of you most sincerely for your long standing support.

We are delighted to announce, at this time, that we will be expanding into larger premises conveniently situated on the upper 'Woolies' level, here at Cambridge Crossing!

We are excited to have the opportunity to simultaneously broaden our range of products and services, and offer you the convenience of a countrywide brand by becoming part of the Sorbet Group.

Please be assured that all Therabeautique Gift Vouchers and Product and/or Treatment Loyalty Cards will be honoured at Sorbet, Paulshof until fully redeemed.

As always, we remain passionately committed to providing you with the professionalism and service to which you are accustomed, while upholding Dermalogica's Platinum Standard of Skincare Excellence.

Our team of therapists, management and ownership remains unchanged and we look forward to welcoming you at Sorbet, Paulshof from June 2013.

With our best regards
